

Me on the Map Mobile

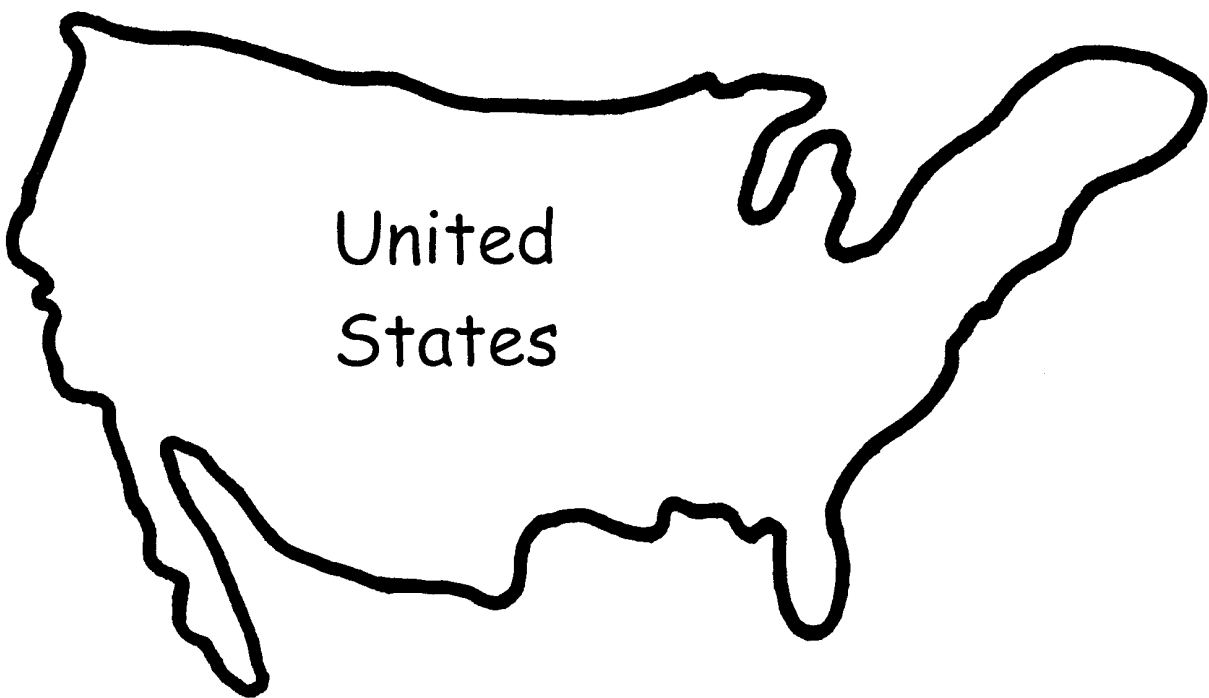

- 1- Copy on cardstock.
- 2- Color and cut out.
- 3- Glue to yarn, dry, hang around room.

The 2 world pieces should be glued together. Unless you live in West Point you will need to design a shape for your city/cities. Don't forget to include ALL cities that attend your school.

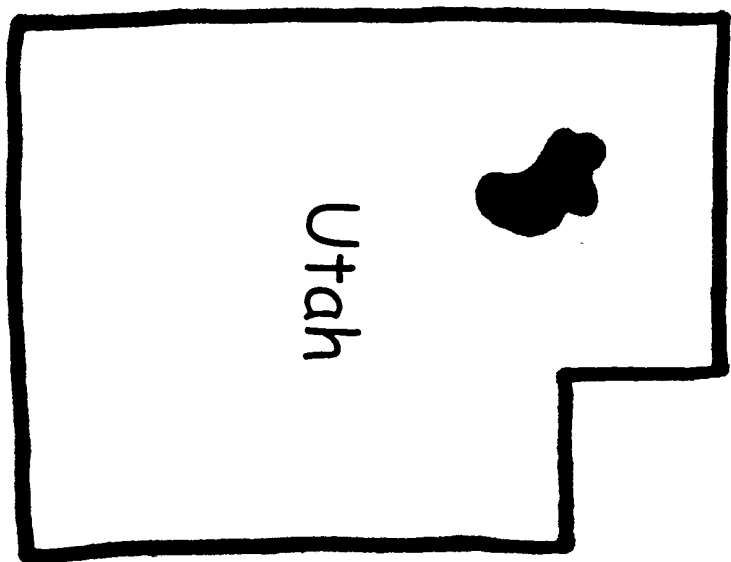

I used Comic Sans font in a size 28 .

A hand-drawn map showing the outline of North America and a specific region labeled Davis County. The North America outline is at the top, and Davis County is at the bottom. Both are defined by thick black lines. The text 'North America' is centered within the top outline, and 'Davis County' is centered within the bottom outline.
